ABOUT MORVIX

A B2B services partner built on steady, upward progress.

Morvix provides trained teams that handle outreach and business support for companies that want to grow without building every function in-house. We run human-led appointment setting and lead generation that fill calendars with qualified conversations, support our clients' marketing, and provide dedicated people and documented workflows for the work behind the business.

HOW WE WORK

Quality over quantity

Fewer conversations that fit your criteria are worth more than a long list of contacts your team cannot use.

Human-led outreach

Business conversations are held by trained people who listen, adapt and represent you with care.

Clear communication

Reporting is agreed up front and shared transparently.

Long-term relationships

We would rather earn a client for years than win a single deal.

QUALITY AND PROTECTION

- Every booked appointment is reviewed by our QA team before it reaches you.
- Meetings are reconfirmed before the day, and reschedules are handled.
- You can review each appointment and decline it before the meeting.
- While we work together, we do not onboard another client in your target area.
- No setup fees and no hidden charges: pricing is agreed upfront.

LEADERSHIP

Our management team

Uzzal Hossain

CHAIRMAN & CFO

Uzzal looks at a number and sees where it can go. He is ambitious, but never careless.

Rajaya Rabbi

MANAGING DIRECTOR & COO

There's a reason people light up when Rajaya walks in. He is friendly, always on time, and has a way of making everyone feel they matter.

Jisan Ahmed Joy

DIRECTOR & CEO

Most people at Morvix will tell you the same thing about Jisan: he's the one they'd follow anywhere. He shows up early, keeps his word, and holds himself to his faith and his values before he asks anything of anyone else.

Let's talk about your growth.
